

An illustration of a ring-tailed lemur with a white body and a long tail with alternating black and white rings. The lemur is standing in a field of tall green grass. In the foreground, there is a wooden sign with a circular hole on the left side. The sign contains the text 'Hoeveel ringstaartmaki's zie jij?'. In the upper left, there is a yellow speech bubble containing the text 'Ringstaartmaki's hebben precies 13 zwarte ringen op hun staart.' followed by a question mark. The background shows a blue sky and a horizon line.
